

Hi Potrero Hill Neighbors.

Happy New Year! As one of many volunteer neighbors facilitating meetings and helping to moderate here on Nextdoor, I wanted to invite you to join me next week for a special two-part community meeting with Supervisor Cohen.

Like you, we too are concerned with some of the posts we have read here on Nextdoor recently. It's for that reason I decided to organize next week's meeting to (hopefully) help us all explore some of the topics directly. In my experience, both Supervisor Cohen and the many city agencies are happy to support our neighborhood efforts—especially when we invite them personally to attend these community-based neighborhood meetings.

Here are the meeting details:

**2<sup>nd</sup> Session [7:00-8:00pm] *Open Community Forum and Q&A with Supervisor Cohen***

Please join us for an informal neighborhood gathering with Supervisor Cohen as she invites your questions and concerns related to all things Potrero Hill. All neighborhood topics including Crime & Safety, Building Development, Parking and Open Space –are welcome.

We will be providing 3x5 cards at the door to help identify your top priority topics and questions. This will (hopefully) allocate enough time for all attendees to participate and if necessary, be contacted afterwards for follow-up by the appropriate agency.

If you cannot attend this meeting, consider posting your questions here and we can present them on your behalf. Feel free to send them to me by private email too. If you are available to volunteer and help to facilitate this community meeting (i.e. greet neighbors, check-in, distribute 3x5 cards, etc.) please just let me know that in advance too.

I hope to see you soon. Cheers, Joyce
